*Rutland Polo Club and The Assam Cup*

*Shortly after the formation of the Club, the first trophy, now known as the Assam Cup, was acquired. It is a large and splendid example of Victorian silver commissioned by a club in the Assam region of India. After the Second World War, when polo ceased there, Mr Ian Leetham brought the cup to England. It was offered to the Rutland Polo Club in 1971 when Polo started there.*

*LOROS is an independent local charity providing Palliative Care and support to around 2,500 people each year within Leicester, Leicestershire and Rutland.*

### *What we offer*

- *Specialised care for those over 18 with complex problems who are suffering from a terminal illness when cure is no longer possible.*
- *Short-stay in-patient care for symptom management and respite-with help, half of these patients go home.*
- *Outreach support in the patient's home.*
- *Palliative day therapy.*

### *What it costs*

- *Our patients and family members - all our care services are free of charge.*
- *Our Charity - It costs £7 million each year to run. The NHS does give us some money but we still need to raise at least £4 million each year from our local community.*
